PROFESSIONAL EXPERIENCE

Bulletin Intelligence LLC (Cision Ltd.), Reston, VA

Intelligence Analyst | Feb 2024 – Jun 2026

- Researched domestic and international media coverage for Fortune 500 clients, including EY Americas and EY Global.
- Evaluated and prioritized high volumes of coverage against client needs; synthesized findings into concise daily and weekly reports.
- Monitored coverage of clients, competitors, industries, and business developments to identify relevant stories under daily deadlines.

Resilience Inc., Tampa, FL

Google Analytics Associate, part-time | Nov 2023 – May 2024

- Monitored website traffic, user behavior, and conversion data in Google Analytics to identify trends and areas for improvement.
- Collaborated with the digital marketing team to understand client goals and interpret website performance.

Center for Excellence in Writing, University at Buffalo

Writing Consultant, part-time | Aug 2019 – Oct 2024

- Advised undergraduate and graduate students on academic writing and application materials, helping identify weaknesses in argumentation, organization, and clarity.
- Helped writers communicate complex ideas more clearly through individual consultations and detailed feedback.

Department of Philosophy, University at Buffalo

Instructor / Teaching Assistant | Aug 2015 – Aug 2020

- Taught Critical Thinking, Medical Ethics, and Introduction to Philosophy; helped students analyze arguments, evaluate evidence, and communicate conclusions.
- Served as teaching assistant for nine undergraduate courses, including Ethics and Game Theory.
